Disbursement of Federal Stafford Loan Proceeds

Your lender will electronically transmit your student loan proceeds directly to Siena Heights University. Once loan proceeds are received, you will be notified by mail and given the option to cancel all or a portion of your loan. If your balance is paid in full after your loan proceeds are received and enrollment is verified, Siena Heights University will automatically refund any overage to your Higher One account (unless you selected to cancel all or a portion of your loan). If you are only registered for the second half of a semester i.e. fall II or winter II, Siena Heights will hold your first disbursement of the semester and not release any credit until your classes start and enrollment is verified.
