## CAMPUS SERVICES AND FACILITIES

### Commons Areas

There are commons areas located around the residence halls where students are seen socializing, doing homework and meeting new people. Ledwidge Ballroom hosts several student activities during the year put on by student and campus organizations. The game room features a pool table, ping pong table, foosball table, and air hockey table. We also have televisions in the game room and lobby where students can watch TV and hook up video game systems to play against friends. This is your home away from home and we want you to be comfortable!

### Health and Wellness Services

At Siena Heights University we are committed to our students' well-being of the whole person. We offer services to help keep you physically and emotionally at your best! The on-site Campus Nurse has general medications, nasal decongestants, cough drops as well as healthy snacks, juice and ginger ale. The Counseling Center helps students with school problems, personal problems and/or emotional concerns. We also have a Campus Ministry office for students to explore and celebrate their faith and spirituality on campus.

### Fitness Facility

Dawson Fitness Center was built in 2004. It includes over 30 machines along with 2 recumbent bikes, 2 elliptical machines, 2 treadmills, and 10 stationary bikes. It also features free weights along with 3 televisions and a sound system. All students are welcome to use the fitness facility.

### Public Safety

The Siena Heights Department of Public Safety has a trained Officer on duty 24 hours a day, 365 days a year. Officers are trained in many aspects of crime prevention and community service. All Officers are certified in standard First Aid, AED and CPR. Siena also offers SHU Alerts, which is a mass notification system that sends out text messages and emails about potential, developing or existing emergencies. To sign up for these alerts, visit [sienaheights.edu/SHUAlertsSignUp.aspx](http://sienaheights.edu/SHUAlertsSignUp.aspx).

### Laundry Room

A full coin-operated laundry room is located in the basement of Ledwidge Hall for students.

## RESIDENCE HALLS ARCHANGELUS / LEDWIDGE

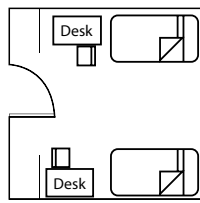

### Residence Halls

Our residence halls are living units for students. Dormitories were places for eating and sleeping—a residence hall has much more extensive living facilities, including lounges, game rooms, study areas, meeting areas, TV rooms, laundry facilities and more.

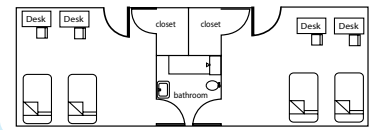

### Double - 11 ft. x 17 ft.

Two residents living in the same room with a community bathroom.

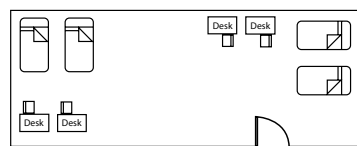

### Double Suite - 13.5 ft. x 19 ft.

Two residents living in the same room that share a bathroom with another double suite or single suite.

### Quad - 12 ft. x 33 ft.

Four residents living in the same room with a community bathroom.

### Bathrooms

Community bathrooms are located on each floor. Each community bathroom has at least four private stalls and private shower areas which include a changing area. These bathroom suites are cleaned regularly by our custodial staff members. Only residents of that section in the residence hall have access to these bathrooms.

### Resident Assistants (RAs)

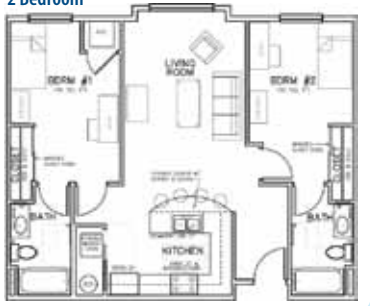

Our resident assistants are trained to be competent, purposeful and ethical leaders living on the floors with our students. RAs are expected to ensure the overall safety, satisfaction and education that take place among residents on the floors. RAs are also purposeful in developing one-on-one relationships with each of their residents. Our staff is also responsible for many administrative functions such as issuing student IDs, tracking maintenance requests and conducting housing assignments.

### Student Life

Every student is encouraged to get involved in their residential experiences. By participating in residential programs, students will learn, have fun and be connected to our meaningful community. Through the year, our residents are always expected to respect the dignity of all in order to build an inclusive community. Students also have the opportunity have a voice in the Siena community and to participate in Residence Hall Council among other organizations. Getting involved is a great way to meet students, build leadership skills, and plan exciting events.

## CAMPUS VILLAGE APARTMENTS

### 2 Bedroom

### Campus Village

Juniors and Seniors have the opportunity to live in an upscale apartment building conveniently located right next to campus. Campus Village offers two, three and four bedroom apartment options with each bedroom having their own private bathroom. Apartments are fully equipped with furnishings, washer and dryer, tanning on site, satellite television and high speed internet. There is also a computer center, student lounge and free parking! Visit [www.campusvillage.com](http://www.campusvillage.com) to learn more!

### 3 Bedroom

### 4 Bedroom

# Don't Forget the food!

## Dining on Campus

Students have two on-campus dining locations to choose from:

**Benincasa Dining Hall** and **Sage Stage Café**.

Benincasa was recently renovated in 2007 and is an all you can eat buffet option for students. Best of all, the dining hall is attached to the residence halls so you don't even need to walk outside in the winter.

## Benincasa features many food options for students including:

- Menutainment, which is a specialty line that includes daily made-to-order entrees
- Full Salad, Sandwich, Breakfast, Pasta and Dessert bars
- A full line of beverages including Coke and Pepsi products, sports drinks, juices, milks, coffee and tea
- Vegetarian options including soy milk and at least one rotating vegetarian entrée

Sage Stage Café offers an a la cart menu for students who need to make a quick stop before or after class.

## Sage Café dining options include:

- Sub Generation featuring made-to-order toasted subs and salads
- Rio Frontera, a "Fresh Mex" flare that offers a variety of your favorite Mexican dishes
- Au Bon Pain Soups, Double Treat Bakery, hot and cold beverages, and grab and go items
