

Think HIGHER

SIENA HEIGHTS UNIVERSITY
at Monroe County Community College

Siena Heights University's Bachelor of Arts in Psychology

A Strong Social Sciences Degree

The Bachelor of Arts Degree in Psychology is great for students with some previous study and/or experience in the social sciences. The program offers a strong overview of the psychology field and is a great stepping stone for those seeking graduate degrees.

Coursework Designed to Help You Succeed

Courses taken as part of the Psychology major include:

Upper Level Psychology Courses: 27 semester hours

- PSY 350 Abnormal Psychology
- PSY 360 Counseling Techniques & Practice
- PSY 382 Psychology Internship
- PSY 390 History & Systems of Psychology
- PSY 395 Junior Seminar
- PSY 440 Personality
- PSY 445 Research in Psychology
- PSY 450 Learning and Memory
- PSY 495 Senior Seminar

General Education with SHU (9 semester hours)

- LAS 301 The Adult Learner
- LAS 401 Senior Seminar
- PHI/RST Course

Total: 36 semester hours

Psychology Requirements taken with MCCC

- ENGL 152 English Comp II
- PSYCH 151 Intro to Psych
- PSYCH 153 Social Psych

Approved Psychology Electives

Six hours of additional approved psychology electives can be taken with either MCCC or SHU. Suggested approved electives from MCCC:

- PSYCH 152 Psychology of Personality & Adjustment
- PSYCH 156 The Exceptional Person
- PSYCH 251 Child Psych

Note: Transfer students must complete at least 18 semester hours of Psychology courses at the 300/400 level with Siena Heights University, including PSY 360 Counseling Techniques and Practice, PSY 382 Psychology Internship, PSY 395 Junior Seminar, PSY 445 Research in Psychology and PSY 495 Senior Seminar.

Program Benefits

- Transfer friendly policies and services; Siena Heights allows up to 90 semester hours of transfer credit toward its 120 semester hour Bachelor's Degree requirement.
- Credit available for CLEP tests and other "college equivalent" prior learning, including workplace training and hospital-based programs.
- Evening and weekend courses are offered to meet the needs of working adults.
- Personalized advising and outstanding faculty with real world experience.
- A university that recognizes the dignity of each student...you are treated as an individual and not a student number.
