

Students that are interested in completing another bachelor's degree from Siena Heights University must complete the following requirements.

A. Students transferring from another institution:

1. Students that already have a baccalaureate level degree from another institution will be required to complete the requirements set by the University for all transfer students that have earned 60 or more semester hours in transfer. Students in this category are not required to take LAS301.
2. Students will be required to complete a 30 hour residency with Siena Heights University. These hours will accumulate from the point that the student enrolls in their new degree program with Siena Heights University.
3. Siena Heights University will accept the previous baccalaureate degree in total. Any "D" grades earned in the first degree will be accepted for possible use as elective credit in the second degree or in the major as determined by the program coordinator.
4. Major requirements are set by each program. A formal plan for the Siena Heights University major will be placed on file at the Registrar's Office. This plan will show what course work, if any, from the first degree will be applied to the Siena Heights University major.

B. Alumni students returning for a second baccalaureate degree:

1. Students that have already completed Liberal Arts requirements through their first degree, and/or have graduated within the last 7 years are exempt from doing another program of Liberal Arts. All other Siena alumni will need to complete any outstanding requirements under the Liberal Arts category of transfer students with 60 hours of completed work. Students in this category are not required to complete LAS301.
2. Students will be required to complete a 30 hour residency with Siena Heights University. These hours will accumulate from the point that the student enrolls in their 2nd degree program with Siena Heights University.
3. Major requirements are set by each program. A formal plan for the Siena Heights University major will be placed on file at the Registrar's Office. This plan will show what course work, if any, from the first degree that will be applied to the 2nd Siena Heights University major.
