

GPA Projection

This link is used to estimate what a student's GPA will be after the current semester is over.

- ❖ In the **Advisee List**, click on the student's name.
- ❖ The **Advisee Details** window will display.
- ❖ Under **Academic Records**, click the **GPA Projection** link.
- ❖ The **GPA Projection** window will display (see illustration below).

Please select a Program for which to calculate your projected GPA.

Program:

Career GPA: 3.800 The Career values displayed here include any graded courses listed below.

Career Credits: 100.000

Uncheck the Include checkbox for any un-graded courses you do not wish to include in the projection. For each of the remaining un-graded courses, enter a projected grade and press the Create Projection button.

A career GPA estimate will be calculated based on your current career GPA (displayed above) and the grades you provide. Also, a GPA will be calculated for just the selected courses.

Note: GPA projection does not take into account repeat logic for repeat courses or for courses that do not count for graduation
