

## Hiding or Showing Publication Types on Startup

When working in Publisher, it is possible to specify whether or not to show the list of Publication Types when Publisher is started. When this option is shown the Getting Started window will not display. The Publication window will display instead.

### Hiding Publication Types (Getting Started Window) on Startup

- ❖ Click **Tools** on the **Menu Bar**.
- ❖ Click **Options** from the list of choices.
- ❖ The **Options** dialog box will display (see illustration below).
- ❖ Click the **General** tab, if necessary.
- ❖ Click the **Show Publication Types when starting Publisher** check box to remove the check mark.
- ❖ Click the **OK** button.
