

# SO IT'S TIME TO TRANSFER

1

## VISIT THE SHU 2025 AND BEYOND WEBPAGE

Visit the SHU 2025 and Beyond webpage and review the teach-out program matrix to find your program at a partner school. Most teach-out partners will match Siena Heights' cost, so you can focus on their programs, their location, their size, and their extracurriculars.

*Pro Tip: Take a look at the transfer partner schools as well; they offer many programs, and many have generous financial aid to offer.*

2

## TALK WITH YOUR ADVISOR

Talk with your advisor or faculty advisor with any questions. The faculty advisors are particularly helpful in reviewing school's programs, and the professional advisors can help you understand and think through your options.

*Pro Tip: Talk with your coach or whomever leads your extracurricular activities to get their take on your options.*

3

## PRINT YOUR TRANSCRIPT

Print a copy of your transcript through MySiena.

4

## APPOINTMENT WITH FINANCIAL AID

Book an appointment with the financial aid office to get a copy of your financial aid package.

5

## REACH OUT TO SCHOOLS

Reach out to schools via the links on the SHU 2025 page under transfer agreements. Work with their advisors and financial aid office to get an aid package and degree plan put in place.

6

## SHARE YOUR DEGREE PLAN

Share your degree plan and new institution with your SHU advisor.

### IF YOU RUN INTO TROUBLE:

We are here to help!

If you're having trouble as you make contact with any of our partner schools, whether they're not responding or you feel like what they offer you doesn't fit the teach-out agreement, we can assist and make sure they get back to you or help you appropriately.

- For on-campus students, reach out to Josh Keidan for help.  
[jkeidan@sienaheights.edu](mailto:jkeidan@sienaheights.edu)
- For SHU Global students, start by reaching out to Tony Farina for assistance.
