Siena Heights University has obtained a Secondary (Excess) Athletic Accident Insurance policy in the event that a student-athlete is injured during a covered sporting event and will require outside medical treatment. An Injury Claim form will be submitted on behalf the student-athlete to A-G Specialty Insurance, the Claims Company for the accident insurance policy, in order for benefits to be eligible under the policy.

Please be advised that this coverage is excess (secondary in most situations) to all other valid and collectable insurance plans. Each student-athlete should initially provide their primary health insurance information to each medical provider at the time of treatment, as well as the Secondary (Excess) Athletic Accident insurance information. This policy is designed to cover any remaining balances of expenses related to a covered injury/accident that are not covered by the student-athlete's primary insurance (including co-pays, deductibles, coinsurance, etc.) and left to patient responsibility.

To ensure that claims are covered under the Secondary (Excess) Athletic Accident Insurance student-athletes are asked to give the billing information to each medical provider prior to every medical treatment and/or service for an athletic related injury. **Please present the Identification Card below.** If a bill is received in the mail following a visit, the student-athlete should call the billing department and request they bill the secondary insurance policy by providing the information below.
